We would like you to meet --

Robin Wright, President MAA, Inc.

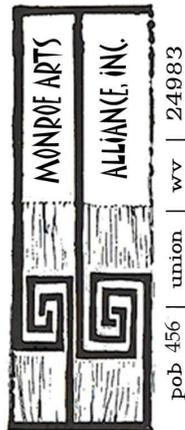

I first attended a meeting of the Monroe Arts Alliance in April 2004 and decided to join "on the spot". The MAA's slogan is "working together to promote the arts" -- something I feel strongly about and enjoy contributing to. I'm impressed by MAA's accomplishments and excited about its future. It is an honor to serve as Board President during this time of growth.

My husband, Jim Wright, and I moved back to Greenville from Glens Falls, NY in 2004. We are graduates of Concord College, have 3 sons and 2 grandsons. We're finally finishing building the house we started here in 1979!

I am certified in art education for grades K - 12 (NY & WV). I've had fun teaching pre-school through nursing home students in the public, private and non-profit sectors. While in New York, I worked at a history museum. My positions over the years were: Volunteer/Membership Coordinator, Museum Shop Manager, and Museum Educator.

Some of my volunteer experiences include: Chair, Glens Falls Home for Women, Inc. as it built a new multi-level of care retirement community; Secretary & Librarian for ACT (a children's theater troupe); Pres., Vice-Pres, Sec. of multiple PTA's; and Board Member of Ayreheads (a musical group).

I'm interested in *too many things* -- knitting, weaving, drawing, painting, pottery, gardening, music, cooking . . . I love the natural beauty and lifestyle of Monroe County and its friendly, welcoming residents. I am grateful to be here!
